Fore Russia's Kids '10

The Yevgeny Girel Orphans Foundation's sixth annual golf event is being held at The Club at Nevillewood on Monday, May 3 2010. Each golfer that registers by the

April 26th deadline will receive a special gift from YGOF. Also, YGOF promises that your first **shot** of the day will be a memorable one!

Following golf, you'll be treated to a casual dinner and have the opportunity to bid on a variety of gifts and sports memorabilia as well as a fine selection of collectible Russian spirits at the silent auction.

The "Fore Russia's Kids" golf event will use the proceeds to continue to supply much needed supplies to the Russian orphanages. The Foundation's current project is called "Warm Hearts, Warming Hands." Duffel bags are filled with a variety of new clothing for children up to five years of age. Adoptive families traveling to Russia deliver the clothing to the orphanages. The empty duffel bags are returned to the Foundation and repacked with more new clothing for the next traveling family. Through your support YGOF can continue to warm the lives and hearts of the children that remain behind in the Russian orphanage system.
